### Standard Trim Colors Options

- » Hufcor Trim paint colors meet AAMA 2604 paint standard for high performance and durability.
- » Only the exposed metal trim is powder coated. See panel detail next page.
- » Visible plastic and vinyl parts:
  - Lamb's Wool, Gray, Brown, and Black Textured options are color matched to the trim color shown.
  - Putty and Sky White Textured options have black sweep and bulb seal gaskets. All other visible plastic and vinyl parts are color matched to the trim color shown.

Actual color may vary from what is shown due to variations between the print and powder coating processes. Room lighting may also change the color's appearance.
