

Operable Partitions

Premium Upgrade Trim Selector

- 600 Series
- Summit Vertical

Upgrade Trim Color Options

(additional price upcharge for operable partitions)

- » *To help select the premium trim color for your project, the trim color blocks are edge justified to compare to your operable partition wall covering selection(s).*
- » *Premium trim colors may require additional lead-times to the project*
- » *Only the exposed metal trim is painted / powder coated.*
- » *Plastic and vinyl parts, like the vinyl sweep for example, come in Black ONLY.*
- » *SEE ADDITIONAL NOTES ON REVERSE SIDE*

Operable Partitions

Premium Upgrade Trim Selector

- 600 Series
- Summit Vertical

Custom Trim Colors

- » Custom trim colors will require additional leadtimes and premium upgrade costs to the project. Additional leadtimes and costs vary based on the nature of the custom request.
- » Custom color selections per the RAL color system are preferred, but not required.
- » Custom color trim options may be matched to your specific project and/or operable partition wall covering selection(s) by sending us a sample of the color match requested.

Additional Notes

- » Color options apply to our 600 Series Operable Partitions and Summit Vertical Lift Partitions
- » Sky White Texture and Black Texture meet the more stringent AAMA 2604 (America Architectural Manufacturers Association) paint standard for high performance and durability.
- » Actual color may vary from what is shown due to variations between the print and paint processes. Room lighting may also change the color's appearance.

Contact Us

For additional assistance selecting the product, finishes and colors for your project, contact us at (800) 542-2371 or at hufcor.com to connect with our Architectural Design team and/or your local Hufcor sales representative.
